TASK 2: BUSINESS GROWTH STRATEGY PROPOSAL

SHANNY'S KITCHEN

1. Executive Summary

Shanny's Kitchen is a small food business operating in Mitrol Village near MVN University. The business provides affordable meals and fast-food products to students, university residents and members of the local community.

The purpose of this strategy is to increase sales, attract new customers, build customer loyalty and establish Shanny's Kitchen as a recognizable local food brand.

The strategy focuses on affordable pricing, attractive food presentation, social-media marketing, direct WhatsApp ordering, customer loyalty and gradual expansion.

2. Business Objectives

Short-Term Objectives

Within the first 3–6 months, Shanny's Kitchen should aim to:

- Increase daily orders
- Increase awareness among students
- Build a strong WhatsApp customer base
- Increase repeat customers
- Introduce attractive food combinations
- Improve packaging
- Collect customer feedback
- Build an active social-media presence

Long-Term Objectives

Within 1–3 years, the business should aim to:

- Become a recognized food brand in the local area
- Expand its delivery coverage
- Increase its product range
- Develop regular catering services
- Employ additional workers as demand increases
- Establish a larger food outlet if financially possible
- Develop a stronger online ordering system

3. Unique Selling Proposition

The proposed USP is:

“Delicious, affordable and convenient meals made for students and the local community.”

The business should compete through affordability, convenience, customer relationships and local delivery.

4. Marketing Mix — 4Ps

Product

The menu should include affordable and popular meals such as:

- Chicken pizza
- Chicken and rice
- Chicken and chips
- Pasta and chicken
- Chicken sandwiches
- Burgers
- Fries
- Crispy chicken
- Chocolate-coated buns
- Other seasonal products

The menu should be regularly reviewed to identify the products customers buy most frequently.

Price

Pricing should remain affordable for students while ensuring that the business makes a reasonable profit.

Strategies include:

- Student prices
- Combo meals
- Limited-time discounts
- Repeat-customer discounts
- Family/group packages
- Promotional offers

Place

The main market should remain Mitrol Village and the surrounding university community.

Orders can be received through WhatsApp and delivered locally.

The business should gradually expand delivery areas when order volume increases.

Promotion

Promotional channels should include:

- WhatsApp Status
- WhatsApp groups where appropriate
- Instagram
- Facebook
- Printed flyers
- Word-of-mouth marketing
- Customer referrals
- Short food videos

- Special promotions
- Student discounts

5. Digital Marketing Strategy

WhatsApp

WhatsApp should be one of the main ordering and promotional channels.

The business can post:

- Daily menus
- Food photographs
- Prices
- Special offers
- Customer reviews
- Order deadlines
- Delivery information

Instagram

Instagram should be used to build the visual identity of the brand.

Content can include:

- Food photographs
- Reels
- Behind-the-scenes preparation
- Customer testimonials
- Increase order volume
- Improve the business's overall profitability

6. Conclusion

Shanny's Kitchen has the potential to become a successful local food business by focusing on affordability, quality, convenience and customer relationships.

The most important growth strategy is to build a strong digital presence while maintaining good food quality and reliable service. Social media, WhatsApp marketing, student promotions and loyalty programmes can help the business attract and retain customers.

With careful financial management and gradual expansion, Shanny's Kitchen can develop from a small local food business into a recognizable food brand.
